**For Models: KSBP25FKSS02
(Stainless Steel)**

This exploded view diagram illustrates the assembly of a mechanical unit, likely a water pump or filter. The components are numbered 1 through 63. The main assembly area shows a base plate (46) with a motor (32) and a pump head (2) mounted on it. A filter housing (1) is shown above the pump head. A large rectangular component (3) is positioned in the center. Various electrical components, including a control box (17) and wiring (52), are shown on the left. A cable (6) and a hose (14) are shown at the top. A large rectangular component (23) is shown on the right. A small component (41) is shown at the top right. A small component (47) is shown at the top center. A small component (48) is shown at the top left. A small component (49) is shown at the top right. A small component (50) is shown at the top center. A small component (51) is shown at the top left. A small component (52) is shown at the top right. A small component (53) is shown at the top center. A small component (54) is shown at the top left. A small component (55) is shown at the top right. A small component (56) is shown at the top center. A small component (57) is shown at the top left. A small component (58) is shown at the top right. A small component (59) is shown at the top center. A small component (60) is shown at the top left. A small component (61) is shown at the top right. A small component (62) is shown at the top center. A small component (63) is shown at the top left.
